Thanks Kristen. Let's hold the 20<sup>th</sup> from 3-4pm. Just need to confirm with Gary who's at the CERF conf this week. Meanwhile, I'll send out a calendar invite to hold the date and time. Thanks again.

Lucinda—it appears we are all available on the 20<sup>th</sup> from 1-4pm and the 21<sup>st</sup> from noon-1pm and 2:30-4:30. Would either of those days work?

Great! Nicki/Ted – does that date and either of those times work for you?

Lucinda—I'm gone all of that week. How does November 20,21,22 look?

**Importance:** High

Nicki/Kristen/Ted:

The CBPO modeling team has been digging into how and why each jurisdiction's level of effort and relative effectiveness may have changed in Phase III. We wanted to schedule a one-hour call with you to go over this information, in advance of the WQGIT/Modeling WG face-to-face meeting in December. We anticipate this being the first of several discussions over the coming months.

Please let us know what dates and timeframes work for you via the following poll:

I would appreciate responses by the end of this week, if possible.

Many thanks,  
Lucinda
